THAI SPA

Traditional Thai Massage

(balancing body energy)

50 min / 90 mins – USD 80 / USD 135

5 min foot spa – 45 min / 85 min muscle stretching

This non-oil massage therapy was originally performed to facilitate a deeper meditation practice with the philosophy of peace. The massage focuses on muscle stretching and pressing to stimulate the natural flow of ten energy lines, which conduct and carry the energy throughout the body. This treatment will release blocked energy and help to restore your natural balance, health and harmony. Follow with two steam Herbal Bags to relax tense muscles and stimulate blood circulation.

Royal Thai Aromatic Massage

(aches and tension relief)

50 min / 90 min – USD 80 / USD 135

5 min foot spa – 45 min / 85min medium to firm pressure massage with warm aromatic oil

Most people will suffer stress through pressure of everyday living. Stress is often responsible for causing tension in our muscles. Combining vigorous and soothing massage movement, this massage melts away muscular aches and tension as well as relaxes the whole body and mind.

Stone Massage

(deep relaxation)

50 min / 90 min – USD 80 / USD 135

5 min foot spa – 45 / 85 min warm oil hot stone massage

This holistic ritual is a massage that helps encourage balance, comfort and well-being. It is carried out using the warm stones. This massage can discover the healing power of stones, known for their energizing properties. The heat provided by the stones will penetrate deep into the body, giving a calming and relaxing experience.

Classical Swedish Massage

(muscle relaxation)

50 min / 90 min – USD 80 / USD 135

5 min foot spa – 45 min / 85mins medium to firm pressure massage

Uses the world-renowned classic massage techniques which release physical stress and fatigue. It combines vigorous and soothing massage movements adapted to the individual's specific areas of tension. This massage is highly effective for muscle relaxation.

THAI SPA

Back, Neck & Head Massage

(back pain and headache relief)

50 min – USD 80

5 min foot spa – 45 min firming massage

Tight muscles reduce circulation, letting waste products accumulate, which can leave you feeling fatigued and sore. Plus waste products can irritate nerves, causing pain to spread. This massage can release contracted muscles, increases circulation and relaxes the nervous system. Waste products are flushed away and replaced with oxygen and nutrients.

Foot Reflexology

(stimulates the nervous system)

50 min – USD 80

Sometimes tight muscles press on nerves, causing tingling, numbness, or more pain. This massage can help by stretching tight muscles and by applying medium pressure to specific points on the feet to stimulate the nervous system. This massage helps to relax muscle tension and boost the immune system.

Pre Tanning Treatment

(prepares skin for the tanning process)

45 min – USD 75

5 min foot spa – 40 min pre tanning treatment

The ideal preparation for your skin to get the most out of the sun with a well-protected skin. Coconut exfoliating body scrub will remove dulling debris while the traditional massage will help penetrate the pure virgin coconut oil into your prone to dry skin when exposed to the sun. Coconut oil is a natural antioxidant and has been used for centuries by Tropical natives to prevent sagging skin and wrinkled skin. This treatment increases the speed of the tanning process and produces a deep, smooth glowing lasting tan.

After Sun Treatment

(soothing and calming)

Rejuvenate your skin again after sun bathing with soothing and natural Aloe Vera After Sun Treatment. It has a healing effect making it an excellent choice after exposure to the sun. Give your body a wonderfully healthy glow with this special treatment that will balance your skin color and moisturize your entire body. A uniquely luxurious skin pampering, mind and body therapy in one relaxing program with a dip into a romance bath and finished with a soothing aromatic massage.

• Aloe Vera After Sun Treatment • An aromatic oil massage

60 min – USD 85
