THE DESTINATION

Dubai

The Palm Islands are the outcome of visionary planning and architectural brilliance, and now stands as one of the world's most sought-after destinations. The unique design that takes inspiration from date palm trees, crowned and lined with crescents, is one of the few attractions in the world that can be seen from space! The Palm Island offers five-star luxury hotels, tranquil beaches and superb views of the Dubai Marina coastline – perfect for hosting an unforgettable getaway or event with family, friends or colleagues.
